## Product Number: S130-PL-NC

The SHG S130-PL-NC passive noise canceling custom headset is super lightweight, provides a perfect fit, and offers superior comfort with a PL quick disconnect (QD). It requires a custom earmold at an additional cost (NOT included with the headset). Please contact us to purchase a custom fitted earmold separately. (Cable sold separately.)

Does not require a separate cable if connecting to an existing emergency dispatch base/console.
