### Simple for IT

No complex setup, no user training, and no additional headaches — the Poly Sync 40 is simple to deploy to your workforce. For IT, inventory tracking and updates are made easy with Poly Lens, remote device management.

# Features

## Three-microphone array

Experience conference calls with outside noise and distractions tuned out. A three-microphone array focuses on your voice — not the surrounding noise.

## Audio clarity

## Up to 30 hours of battery life

Be ready to take a call — an internal battery provides up to 30 hours of talk time. Keep the device charged with the convenient charge stand, sold separately.<sup>[1]</sup>
