Poly HL10 Handset Lifter (784Q1AA)

Overview

Convenient call control

Small and compact, this handset lifter fits on your telephone discretely letting you answer calls with the touch of a button by lifting your handset, conveniently and automatically.

Hands free call control

Enjoy hands free productivity with the Poly HL10 handset lifter that enables you to answer calls remotely. Save time with this compact and discrete device which automatically lifts and returns the handset to the desk phone cradle.

Never miss another call

The Poly HL10 works with your Poly wireless headset to provide notification of incoming calls, even when you're away from your desk. An additional standalone mic is included to ensure support for desk phone models with a remote speaker [1].

Features

Compatibility

The Poly HL10 handset lifter is an accessory for almost all Poly desk phones and is compatible with all Poly wireless headsets. [1,2]

Remote one-touch controls

The Poly HL10 handset lifter works in conjunction with a Poly wireless headset, sold separately, to enable one-button answering of incoming desk phone calls from anywhere in your workspace.[1,3]
